County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION PROHIBITING PARKING OF COMMERCIAL VEHICLES
AT CERTAIN SPECIFIED LOCATIONS AND TIMES
IN THE UNINCORPORATED COUNTY AREAS OF
SOUTH WHITTIER, ROWLAND HEIGHTS, AND ALTADENA
SUPERVISORIAL DISTRICTS 1, 4, AND 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution establishing the prohibition of parking commercial vehicles with a gross vehicle weight rating of 10,000 pounds or more at the locations and times specified in the enclosed Resolution, pursuant to Section 22507 of the California Vehicle Code and Section 15.64.055 of the County Code.
2. Instruct the Director of Public Works to post adequate signs along the affected streets in order to reasonably apprise the public as to the nature and extent of the prohibition.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The parking of commercial vehicles has adversely impacted the quality of life and/or traffic safety on the streets and surrounding neighborhoods at the specific locations set forth in the enclosed Resolution by increasing ambient noise and pollution levels, restricting visibility from driveways and side streets, and introducing undesirable opportunities for crime, graffiti, and littering. A Resolution of your Board is required to designate those streets and alleys where the specific commercial vehicle parking prohibition or restriction is to apply.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Service Excellence by establishing commercial vehicle parking restrictions consistent with current provisions of the Vehicle Code and the County Code and implementing additional commercial vehicle parking prohibitions at the locations specified in the enclosed Resolution.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2006-07 Road Fund Budget to cover the minor cost of removing and installing the necessary signs advising the public of the parking prohibitions or restrictions. Financing is not required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On April 30, 2002, your Board adopted an Ordinance amending Title 15 - Vehicles and Traffic of the Los Angeles County Code, Section 15.64.055, to allow the County to prohibit or restrict parking of commercial vehicles with a 10,000-pound manufacturer's gross vehicle weight rating or more on designated streets and alleys. The Resolution complies with provisions of Section 22507 of the Vehicle Code, which allows local authorities to prohibit or restrict parking, and Section 15.64.055 of the County Code, which authorizes your Board to prohibit or restrict the parking of commercial vehicles on streets or highways specifically identified in the Resolution. The enclosed Resolution has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The establishment of these restrictions, including the installation of related traffic signs to notify the motoring public, is categorically exempt under Class I-(x)7 of the Environmental Guidelines approved by your Board.

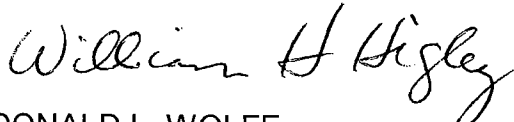

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be adopted, please return one copy of this letter and adopted Resolution to Public Works.

Respectfully submitted,

for DONALD L. WOLFE
